* The opening balance of 20,984 now given under Belgaum under the head "Timber" ought to have been shown under the same division as closing balance in the statement for 1885-86, but it could not be done so, owing to a mistake in the Divisional Officer's statement for 1885-86.

J. L. L. MacGREGOR,
Conservator of Forests, S. C.

Dated Belgaum, the 18th October 1887.
